What did you order at the soda fountain?

Who was your date at the drive-in?

Did you enjoy these pages?

They come from the full book:

Back in Our Day

by Janette Hollis

A large print coloring book for seniors, full of everyday moments from the 1950s and 60s: the milkman at the door, the soda fountain, family road trips in the station wagon. Each of the 45 pages comes with a simple question like "What did you order at the soda fountain?", so coloring easily turns into storytelling. A warm gift for grandparents, and a good fit for memory care activities.
